Discover your **Independence™**

Available exclusively from Allied Mobility, the new generation Ford Independence™ combines superb accessibility with space, safety and style.

Based on the Ford Tourneo Custom, *Independence™* has undergone a revamp, both internally and externally. Powered by Ford's EcoBlue 2.0-litre engine, the vehicle features improved fuel efficiency and ultra-low emissions, while retaining ample driving power.

Perfect for larger families or small groups, *Independence™* brings unbeatable flexibility. With numerous spacious seating layouts on offer, all passengers can travel in comfort. See our model choice for all seating options.

1

INDEPENDENCE

1 » Reliable, powerful & sleek design

2 » EasyFold™ ramp

3 » One-piece tailgate

4 » Parking sensors to help you manoeuvre

5 » 8" colour touchscreen with AppLink

6 » Stylish 5-bar chrome grille

Access & Safety

Despite the numerous options available, one thing remains constant with *Independence™* – first rate accessibility.

The *EasyFold™* ramp has a low gradient, making wheelchair entry and exit easy and hassle free. There's also the option of an electric winch, if you do need extra help.

Once inside, the wheelchair user is secured by high quality, front and rear wheelchair restraints, while lap and diagonal seat belts ensure optimum safety.

@alliedmobility

- 1 » Specially lowered floor for optimum accessibility
- 2 » Lightweight, easy-to-use, fold-out ramp
- 3 » Electric assist winch available
- 4 » Numerous seating layouts available

- 2 » High quality wheelchair restraint system
- 3 » Unique *EasyFold™* or *FlatFold™* lightweight ramp
- 4 » Safety tested to EC Whole Vehicle Type Approval
- 5 » Fully compliant with UK wheelchair accessible vehicle standard – PAS 2012

Vehicle Features

Boasting a bold five-bar chrome grille, brand new daytime running lights and 17-inch alloy wheels, *Independence™* has entered the league of premium WAVs.

The eight-inch colour screen adds the finishing touch that brings the vehicle into a new world of technology.

Ford SYNC3 links to your smart phone* to open up a world of technological opportunity.

From viewing your text messages to linking satellite navigation, the touch screen interface mirrors your phone applications so you can access them from your vehicle.

Model Choice RS

Our classic model RS is available in a wide range of seating layouts accommodating driver, wheelchair passenger and up to five seated passengers.

With the fixed seat positions, you have the option to have one or two seats either side of the wheelchair.

RS model

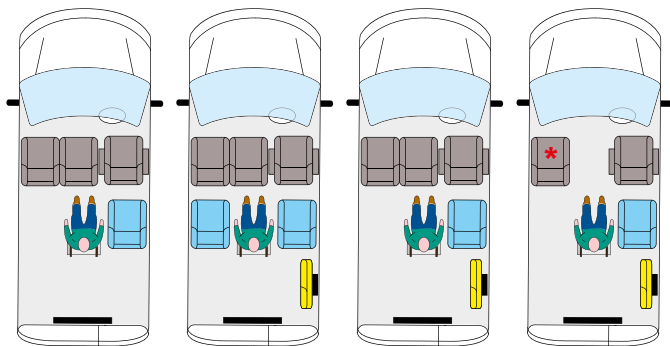

Key * Single front passenger seat - factory order
 Tip & Turn seat - optional
 Fixed seat - optional

Model Choice RE

The RE has been specially designed with a lowered floor to provide extra headroom, ideal for taller wheelchair users or those with a higher wheelchair or powerchair.

RE model

Key * Single front passenger seat - factory order Fixed seat - optional
 Tip & Turn seat - optional

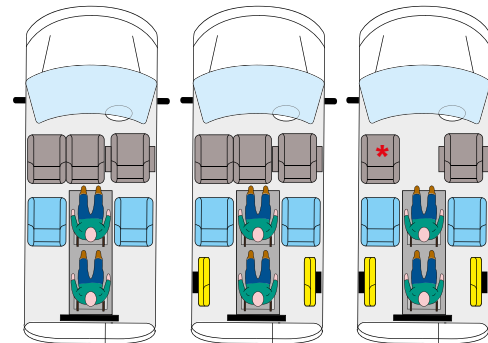

Model Choice Twin

If you require a wheelchair accessible vehicle with ample space for two wheelchairs, the Twin model is for you.

With all models in the *Independence™* family, you can alter the seating capacity to gain more space within the vehicle if this suits your needs.

Twin

Key

- * Single front passenger seat - factory order
- Fixed seat - optional
- Tip & Turn seat - optional

Help & Advice

Allied Mobility is the UK's leading wheelchair accessible vehicle manufacturer. With over 20 years' experience and thousands of satisfied customers, our goal is finding the best solution to meet your particular needs.

Based locally throughout the UK, our dedicated mobility consultants are there to help you and can provide a free home demonstration on the vehicle(s) of your choice, wherever you live.

Should you have any queries before or after ordering your wheelchair accessible vehicle, contact our mobility advisors at any time for expert advice and information. Our unique *Allied Aftercare™* support also includes a four-week follow-up check and annual safety inspection. You'll also have access to our seven-day helpline and a nationwide network of Peugeot dealers.

Your Home Demonstration

Finding the right wheelchair accessible vehicle to suit your needs is very important. To ensure you're able to choose the best option for you and your family we always provide a free home demonstration.

Your local mobility consultant will bring the model that interests you most to your home, at a time that suits you. It's important that you and anyone you regularly travel with are there on the day.

Your mobility consultant will thoroughly demonstrate how to use the accessibility features of the vehicle and answer any questions you may have. Hopefully you'll find you've made the right choice, first time. If not, don't worry - we're happy to come back with a different model for you to try, to be sure you end up with the vehicle which best suits you.

Your Allied Mobility Journey

- 
- The graphic shows a winding road with a dashed white line, starting from the top left and ending in a large arrow pointing towards the bottom right. Along the road are several icons in colored circles: a purple phone, a blue house, a red document, a red document, a blue key, a green clock, a blue key, a purple car, and a teal wrench. The background of the graphic shows a brick building and a street.
-  First, we discuss your wheelchair accessible vehicle requirements with you, over the phone.
 -  We bring a suitable vehicle to your home for a free demonstration, at a time that suits you.
 -  If the vehicle is suitable - great! If not, we're happy to bring another model for you to try.
 -  Once you're completely happy with your choice, we can help with your Motability paperwork or suggest alternative finance options.
 -  Our mobility team will give you a call when the vehicle is ready. We'll arrange delivery on a date that suits you.
 -  We'll give you a refresher on the accessibility and safety features of your new car. Now it's time to hand over the keys!
 -  Around four weeks later, your local mobility consultant will pop back round for your familiarisation check. They can help with any questions you still have about your car.
 -  Our Allied Autocare team will provide an Annual Safety Check on the adapted features of your car. They can even offer to fully service your car, at your home address.

For further information or to arrange a free home demonstration give our mobility advisors a call, email us or visit our website.
