The Volkswagen Caddy Life Maxi has always been a popular model within the GowringsVersa range and we are confident this stylish new version will continue to please. This is Volkswagen's fifth generation Caddy which offers customers more digital functions and greater comfort which carries through to our 'all new' conversion.

Our specification includes DAB+ radio with Bluetooth™, air conditioning, cruise control and alloy wheels.

Our new VW Caddy is available in both manual and automatic (DSG) with a choice of fuel types: petrol or diesel.

THE GOWRINGVERSA CONVERSION

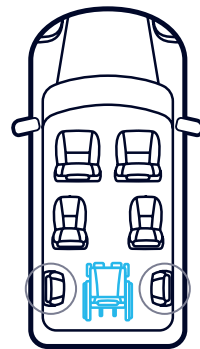

Our new conversion has been designed, developed and tested to deliver an exceptional passenger experience for the wheelchair user whilst remaining focused on occupant safety.

It is available with a choice of seating configurations that can accommodate the wheelchair passenger (see seating plans below) or up to 7 seated.

The conversion incorporates a four point wheelchair securing system (ranging up to 200kg) to ensure optimum safety. The lightweight, gas assisted, non-slip ramp makes entry into the rear cabin space a simple task.

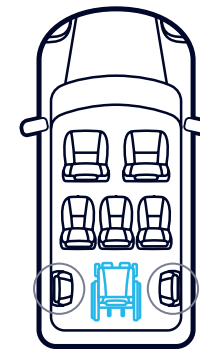

SEATING LAYOUTS

Up to 4 plus the wheelchair passenger

- Choice of 1 or 2 fixed seats in the second row
- Choice of 1 or 2 *Tip and Turn seats* in the third row

Up to 5 plus the wheelchair passenger

- 60/40 bench seat in the second row
- Up to 7 seated if the *Tip and Turn seats* are selected in the third row. This option cannot be used in conjunction with the wheelchair position

Various seating and wheelchair position options are available.
