RENAULT TRAFIC

RENAULT TRAFIC

Shaw House, Berkshire

A selection of core features available...

- Available in manual and automatic
- Carries up to 7 passengers
- Lower, strengthened rear floor
- Lightweight, non-slip ramp
- Four point wheelchair securing system

THE UK'S ORIGINAL MANUFACTURER & SUPPLIER OF WHEELCHAIR ACCESSIBLE VEHICLES

The Gowrings Mobility NEW Renault TRAFIC is an extremely spacious and versatile people carrier, making it an ideal vehicle for both families and transport operators. It is a popular choice for many of our customers.

An excellent performer on the road, the TRAFIC is easy to drive with light steering and responsive brakes (ABS). Its updated design is available with a refined, fuel efficient 2.0L Diesel engine and an automatic (efficient dual clutch) gearbox which makes for an even smoother driving experience.

New Renault TRAFIC now has a more expressive front-end design, with full-LED headlights (daytime running) incorporated into the C-shaped lighting signature. It has a bolder grille, with details such as a new holder for the Renault logo and chrome finishing strip, protective wraparound front bumper plus a new 'Urban Grey' colour complete the revised styling.

The well-appointed spacious cabin creates the perfect driving environment and can accommodate a driver and two passengers in comfort. The driving position is adaptable, with a height-adjustable driver seat and a height and reach adjustable steering wheel ensuring the optimum driving position.

The NEW Renault TRAFIC is designed to improve your comfort and safety.

OUR CONVERSION

At Gowrings Mobility we take great pride in our vehicle conversions and provide our customers with a wheelchair accessible vehicle that has been designed and fully tested to deliver an exceptional passenger experience.

A lowered rear floor is incorporated creating a spacious environment and greater visibility. A four point wheelchair securing system ensures optimum safety, whilst a lightweight non-slip ramp makes entry into the rear cabin space a simple task. The versatile passenger space offers the ability to carry up to 7 passengers (when wheelchair space is unoccupied), and a choice of seating configurations to suit your needs.

A host of additional options are available to fully tailor your new car to your needs. Please contact us for further details, telephone 0345 608 8020.

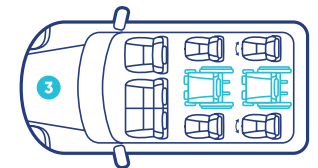

SEATING LAYOUTS

1. Conversion with fixed/removable second row seats and tip & turn third row seats

2. Conversion with removable second row centre seat in place and tip & turn third row seats

FREE, NO OBLIGATION DEMONSTRATION SERVICE

A member of our demonstration team will bring the vehicle to you so you can fully test it. The demonstration will allow you to test drive and experience all the key features of the car first-hand, making sure it's the right vehicle for your needs.

We recommend that transport operators invite clients and service users to the demonstration to ensure that you get the most out of the day. This service is free and carries no obligation.*

WITH YOU EVERY STEP OF THE WAY

Once you have placed your order, a member of our customer care team will keep you updated throughout the entire process.

Following delivery our relationship continues with our excellent after-sales support team on hand should you ever need us.

FIND OUT MORE

Whether you are looking for a vehicle for personal use or are a transport operator, the Renault TRAFIC is the perfect choice. One of our expert advisors will be happy to discuss your specific requirements to ensure that you make the right choice. They can also advise on the various buying options.
