

Accessible Citroen Berlingo 4 Life XL

Enjoy comfort without compromise

All our accessible vehicles have access via a wide low angle lightweight ramp at the rear with a choice of gas assistance or fully automated operation. The attention to detail including interior soundproofing and carpeting make our Wheelchair Accessible Vehicles a family favourite quieter all year round and much warmer in the winter.

Second row seating

Accessible Features

Seating the wheelchair passenger comfortably within the cabin.

- › **Spacious interior, wide low angle access and extensive headroom**
- › **Up to 4 passengers and the driver**
- › **4 Life - Wheelchair Passenger and Attendant access between second row seating**
- › **Assister winch helping access**
- › **Powered ramp and tailgate available**

Choose from the full model and colour range available for early delivery from our UK held stock.
