

FR1 CRUISER

ALL TERRAIN IN ULTIMATE LUXURY

The FR1 Cruiser is the height of luxury from the Freerider FR1 stable. Cutting edge mobility vehicle technology together with contemporary, eye catching looks in this top-of-the-range flagship model.

BUILT TO BE ADMIRER

The striking gold paint and all round lighting package give the ultimate visibility to other highway users. A USB port on the tiller ensures you can stay connected wherever you go.

THE HEIGHT OF COMFORT

A luxury, quilted captain's seat and all round suspension make for a supremely comfortable ride. The gas-strut tiller and adjustable seat allow fine tuning to the individual user.

POWER AND ENDURANCE

100Ah batteries, a 12 amp charger and 950 watt motor puts the FR1 Cruiser at the head of the power stakes. Quick, deep charging minimises down time.
