

WESTMINSTER

THE HEAVYWEIGHT FOR ALL TERRAIN

Ready to carry up to 30 stones, the Westminster is a true heavyweight in our range. Longer and wider than any other Freerider and as robust, rough & ready as the FR1.

ROUGH & TOUGH

Dirt tracks, uneven ground and muddy puddles are nothing to the Westminster. Go anywhere and do anything in comfort and style.

BUILT TO LAST

Wishbone suspension and shock absorbers, high ground clearance and powerful 100Ah batteries make the Westminster strong enough to cope with whatever you expose it to.

READY FOR ANY WEATHER

With a water resistant LCD dashboard, fixed twin mirrors, lights and indicators, you can see clearly whatever the weather. Optional rain canopy available.
